

661—11.6(17A,690,692) Inaccuracies in criminal history. If an individual believes inaccuracies exist in the individual's criminal history, notice may be filed with the division outlining the alleged inaccuracies accompanied by any available supporting data. In all instances where a notice is so filed, the division contacts the arresting agencies, court of record and institutions to verify record accuracy. Any necessary changes shall be made to the individual's record. Any agency previously receiving a copy of the inaccurate record shall be so notified with a corrected copy. A final report shall be made to the individual who has so filed a notice of correction within 20 days of said filing. If, after notice is filed and the division makes its final report, the individual is still of the opinion that inaccuracies exist within the records, an appeal of the final decision of the division to the Polk county district court may be made.
